

Road Construction Updates

Jan. 25 - Feb 8, 2013: Sequoia and Kings Canyon National Parks

Plan Carefully to Maximize Your Fun and Minimize Delays

Our construction season is short, and the work is necessary for everyone's safety. Thank you for your patience.

Are You Planning to See the Big Trees in Sequoia National Park?

You will find **15 minute delays along the main road (Generals Highway)** between the Hwy. 198 entrance to Sequoia National Park and the General Sherman Tree. You will pass through two construction zones along the way. *Construction schedules may change with little notice.*

Avoid Long Delays

Plan your travel to arrive at the Generals Highway reconstruction project close to the times listed. Additional time is required to travel to/from the park entrance to/from this construction zone.

Generals Highway Road Reconstruction Project

Friday, Jan. 25

No delays.

Monday - Tuesday, Jan. 28-29

No delays.

Wednesday - Friday, Jan. 30 - February 1

7 a.m.-5:30 p.m. Maximum **15 minute** delays.

Monday - Thursday, Feb. 4-7

7 a.m.-5:30 p.m. Maximum **15 minute** delays.

* No delays during evenings or weekends. Traffic will flow unrestricted through the construction zone in both lanes.

Utilities Construction Project

Installation of a new water system in a 1.25-mile section of the Generals Highway just north of Giant Forest Museum:

WINTER SHUT DOWN UNTIL LATE SPRING 2013:

No delays during evenings or weekends. Work will resume when weather allows.

How Can You Minimize Delays?

- Give yourself plenty of time to visit.
- Stop by a visitor center, and ask a ranger to help plan your visit.
- Visit the only official park website for major road construction updates: www.nps.gov/seki.
- Call 559-565-3341 for road conditions info (24-hr. recording only).

RVs & TRAILERS

The Generals Highway to the General Sherman Tree, Giant Forest, and Lodgepole is **closed to vehicles longer than 22 feet (total combined length)** shortly after the Hwy. 198 Sequoia National Park entrance. Longer vehicles should enter and exit the parks via Hwy. 180 at Kings Canyon National Park.

MOTORCYCLES & BICYCLES

Road project work may cause slick, oily, and hazardous road conditions. Slow down and be safe!
